I saw you called. I could not pick up at the time. Just got back from picking my vehicle up from the repair shop. Do you still want to talk?

Christina – thank you SO much.

Rick – what should the document be dated? March 2018?

No worries, I can do it. I just wanted to check before running it through the application.

Rick – is it?

If not, Christina – can you do it there? Is that too much work?

I just don't know who is in today in the regional office who can do it.

Christina, can you post the attached PDF under the Washington Works bullet on:
<https://www.epa.gov/pfas/site-specific-information>

Let's call the PDF: Chemours Company well sampling results (March 2018)

Does that work for folks?

If so, Christina, let us know once it's up.

Andrea,
Please see attached table for GenX (HFPO-DA) sampling results for the 14 public and private water supplies in West Virginia and Ohio.
Is it possible to get it posted onto the website soon?
If so, we may still be able to make the notifications today – please advise.
Thank you!
